Calls for proposals

Calls for proposals are funding opportunities issued by the European Union institutions, agencies and bodies. These are direct financial contributions, known as grants, that are awarded to third-party beneficiaries (e.g., research organisations, public entities, non-governmental organisations, and private companies) to engage in activities that serve EU policies.

Topic and type of action can only be changed by creating a new proposal.

In this step you can edit the Administrative Forms and upload the proposal and its annexes. You may return to this step from the 'My Proposals' section of the Funding & Tenders Portal.

Close 

Submit your proposal as early in the process as possible - you can update and resubmit an improved version many times before the call closure.

Submitting a proposal will overwrite any previous versions of this same proposal - this process is irreversible.

Any changes made to the proposal will not be available to the European Commission service unless resubmitted before the call closure.

Your proposal contains changes that have not yet been submitted.
